Emerging Paradigms of Leadership

INTRODUCTION

Department of Management Sciences, fondly known as PUMBA at Savitribai Phule Pune University is a pioneer in the realm of business and management studies and has consistently featured in the top B-Schools. It is known for its legacy of guiding students and nurturing talent.

PUMBA has continuously developed itself as an initiator of transformative knowledge and embraced change with alacrity. The institute placements, consistent top rankings and an enviable return on investment are testimony to brand PUMBA that has been unshakeable during the glorious five decades of its existence.

GLOBAL LEADERSHIP SUMMIT 2021

Department of Management Sciences (PUMBA) was established on 7th August 1971 and this year completes a milestone Golden Jubilee. The department has been celebrating the momentous year with many events. One of the many events was the Global Leadership Summit that was organized in February 2021. With the success of the first edition, we bring to you another Mega webinar "Global Leadership Summit: Emerging Paradigms of Leadership". It is a two-day event on 26th and 27th November 2021. The theme is based on Fostering Business leadership across the globe.

The event aims at enabling students with insights and invaluable guidance from industry leaders across the globe on future prospects and inculcating values to tackle challenges in the business arena.

Prominent industry leaders have been invited to express their views, insights and experiences during different sessions over the period of two days.
