4. Post graduation marksheet
5. Degree Certificate
6. Degree Marklist
7. Caste Certificate.
8. Experience certificates
9. Gap Certificate
- 10 Transfer certificate and /or Migration Certificate.

3 Since the candidate has been asked to give 3 options (according to priority), interviews will be conducted in three blocks: as per the plan given below.

4 Candidates should get themselves **registered** at the research centre filled as OPTION 1 (in the preference form given at the time of paper-II.) Registration should be done 3 days before the scheduled interview dates. Option 1 interviews will be conducted between **15th to 18th March, 2010**.The exact dates for the interview will be displayed at respective research center website.

6 Depending upon the performance of the candidate in the interview ,research guides will be allocated. Such list along with the further procedure, will be displayed by the respective research center after the first round

7 Eligible candidates who are not allocated guides in the 1st round are required to register with the research centre filled as the second option Registration should be done 3 days

before the scheduled interview dates. Option 2 interviews will be conducted between **22nd March to 25th March, 2010**. The exact dates for the interview will be displayed at respective research center website

8 Depending upon the performance of the candidate in the interview, research guides will be allocated. Such list along with the further procedure, will be displayed by the respective research institute after the first round

9 Eligible candidates who are not allocated guides in the 2nd round are required to register with the research centre filled as the third option Registration should be done 3 days before the scheduled interview dates. Option 3 interviews will be conducted between **29th March to 1st April, 2010**. The exact dates for the interview will be displayed at respective research center website

10 Candidates are required to appear for an interview before the research committee/panel of respective research center. The candidates will be evaluated on the basis of their performance in the interview, on the following parameters:

1 Preparedness of the candidate for research work to be undertaken:

2 Communication skill of the candidate:

3 Depth of understanding of the subject

4 Knowledge of the business environment: includes candidate's awareness about the current trends in respective area.

5. Domain experience related to research area.

11. Candidates are required to carry the required original certificates to prove their candidature during the time of admission.

12. After the candidates have been allocated guides by the respective research centres, such candidates are required to prepare a detailed proposal in consultation with their guides.

13. The presentation of the topic will be organized by the respective research guides, at respective research centres.

Important Note: The candidates, who desire to change their PhD subject area, are required to submit an application to the Head of the research center where they are opting to appear for the interview. Decisions on such cases will be taken by the Head of the respective research centre based on merit in the proposal.
